EDUCATION

LEED Green Associate

U.S. Green Building Council

Apr. 2025 – Apr. 2027

Algonquin College

Graduate Certificate in Sustainable Architectural Design

ON, Canada

Sep. 2023 – May 2024

Sheridan College

Graduate Certificate in Urban Design

ON, Canada

Jan. 2023 – Aug. 2023

Gujarat Technological University

Bachelor of Architecture

Gujarat, India

Aug. 2016 – May 2022

EXPERIENCE

Brand Manager

Overseas IT solution

July 2024 – April 2025

Ahmedabad, India

- Strengthened company presence in the IT market, increasing brand awareness by 30% within six months through targeted branding initiatives
- Led and optimized digital marketing campaigns, resulting in a 25% increase in lead generation and a 20% boost in customer engagement metrics

Intern Architect

Dilip Mevada Architects

May 2022 – August 2023

Mumbai, India

- Utilized AutoCAD, SketchUp and Revit for 3D modeling and construction documentation, enhancing workflow efficiency and design accuracy
- Assisted in housing, commercial, township, and urban development projects, contributing to 5+ project proposals and supporting design efforts
- Created 20+ working and conceptual drawings, feasibility reports, and detailed meeting minutes to support project execution.
- Designed 3D models and renders, improving client understanding and approval rates by 40%

Junior Intern Architect

LaSpazio Designs

July 2019 – December 2019

Ahmedabad, India

- Assisted in the development of residential and commercial landscape projects by preparing horticulture plans and 2D/3D documentation to streamline execution
- Created working, sanctioning, and conceptual drawings, feasibility reports, and Bills of Quantities (BOQ) to support project planning and approvals
- Designed 30+ detailed renders and visualizations, improving client proposal approval rates by 35%

PROJECTS

Superintendent Residence Retrofit to Net Zero | Revit, PHPP, Twinmotion

Sault St. Marie, ON

- Performed energy calculations and simulations using Revit, streamlining the integration of architectural and performance data
- Led a net-zero retrofit project for a residence using EnerPhit Standards (PHPP), reducing energy consumption by 75% annually
- Achieved a 50% improvement in indoor air quality and reduced heating costs by 65% annually

Erin Mills Town Centre Revitalization | Autocad, Lumion, Photoshop, ArcGIS

Mississauga, ON

- Developed a mixed-use urban strategy incorporating indigenous-inspired design and optimized pedestrian flow
- Integrated residential, recreational, commercial and cultural functions to encourage 24/7 usage and community engagement
- Enhanced pedestrian circulation, bike paths, and transit linkages to reduce car dependency

TECHNICAL SKILLS

Drafting Software: Revit, Autocad, ArchiCAD, ZWCAD

Rendering Software: Lumion, Twinmotion, V-Ray, Photoshop

Performance analysis Tools: PHPP, RETScreen, Revit Green Building Studio, Autodesk Insight
